MISSOULA – The Thomas Meagher Bar, 130 W. Pine Street, hosts the Missoula Downtown Foundation (MDF) Monday, August 10 starting at 6pm. Thomas Meagher Bar's Community Night donates 20% of all food and drink to a worthy cause and the MDF is this coming Monday night's non-profit recipient. The community is encouraged to attend the event to enjoy drinks, appetizers and food, all to help further the mission of the MDF.

"As the MDF gears up for its annual Friends of Downtown Campaign, beginning in September, Community Night at the Meagher Bar provides one more valuable opportunity to let people know what our mission is and what we are working on," said Colleen Rudio, President of the MDF Board of Directors. "Missoula's business community continues to be creative in offering non-profit organization's exposure, raising needed funds, and giving back to the community at large."

The MDF is committed to enhancing and supporting the cultural, historical and economic vibrancy by funding Downtown Missoula projects. Currently, the MDF is working on funding several key projects in Downtown Missoula, including Wayfinding, a pedestrian signage system in Downtown Missoula and several informational kiosks. The kiosks will focus on historical, cultural, and business aspects of Downtown, but have yet to be designed or funds secured. Additional projects needing funding include the on-going management of the Play It Missoula! piano project, and repairs to existing Downtown holiday décor electrical wiring and electrical boxes. More than \$30,000 in repairs is needed in order to install Downtown holiday décor this coming holiday season.

For more information, contact Noreen Humes, Community Development Manager at Noreen@downtownmissoula.com or 543-4238.
