Grants are a great source of funding to make sure your next project is a success. Whether you are looking to refine your proposal-writing skills or have never written a grant proposal before, the Montana History Foundation is here to help. Our grant writing workshops offer specific step-by-step tools and practical tips and tricks for developing winning proposals.

Workshop Leader: Dr. Charlene Porsild, CEO of the Montana History Foundation. The Foundation awarded over \$121,000 in grants to historical projects in Montana in 2017. For more information about MHF's workshops or grants visit: www.mthistory.org.

These workshops are funded in part by a grant from Humanities Montana, an affiliate for the National Endowment for the Humanities, and from the Jerry Metcalf Foundation
