

TRAPPED!

What will you do if your best friend steps in a trap?

Traps are hidden and baited. Traps are indiscriminate. Traps can be almost anywhere.

PUBLIC SAFETY

What You Need to Know

LEARN

- Trapping regulations
- How to avoid traps
- First Aid
- Hands-On Practice releasing traps
- What to carry with you to save your pet

Polly the Airedale has survived three traps.

Learn what to do if your companion animal or child is caught in a trap
