Enchanted Forest: A Virtual Art-Filled Celebration of Magic & Wonder

WHAT: Turning the Wheel Missoula is moving the Enchanted Forest event to the online space! An art and adventure workbook can be purchased for \$15 to provide families with activities to complete throughout October. Participants can share photos on Instagram to be entered into the raffle. Prizes include a stay at Camp Satori, jewelry made by Fire and the Moon, tarot and astrology readings, and gift bags from other local Missoula shops! In addition to the guide, two live events will take place on Zoom: Mask Magic with Artist Khiri Lee and Witches Brew Potion Making with herbalist Emma Jacqueth.

WHO: Funds raised through Enchanted Forest will support the work of Turning the Wheel Missoula (TTWM). TTWM facilitates programs that foster the social, emotional, and physical health of students, professionals, elders, and at-risk populations in the Missoula area. TTWM believes that movement and creative expression act as the catalyst for vibrant, healthy communities.
